The meeting will be held at 6:00 P. M. on Thursday, August 6, 2009.

This Notice is to inform you that, pursuant to Section 6117 of the Ohio Revised Code and under orders from the Ohio Environmental Protection Agency, the Williams County Board of County Commissioners (Commissioners) will construct a sanitary sewer and appurtenances thereto in the Williams Center area of Center Township.

An informational session of the Commissioners will be held at the above place and time to provide the general public and prospective users of the system with pertinent information concerning this project. Copies of this notice will be mailed to property owners of properties and structures that are likely to be connected to the new system.
